

## Pella

We will visit Pella, the ancient capital town of Macedonia and the native town of Alexander the Great, and you will see the exhibits of the new modern museum and the archaeological site with the marvelous and unique mosaics.

## Edessa

We continue towards Edessa, which is also called as “The Town of Waters”, with its 100 bridges and stop for a visit of the park of the famous Waterfalls, which were initially created by the late 14th century where the main volume of water retained in a small area west of the city. The natural park of the waterfalls with **the most spectacular waterfall in the Balkans** (70m high) is an unforgettable attraction and a place where people take the best photos.
