Thessaloniki: The Crossroad of Civilization

Thessaloniki-sightseeing is a full day excursion in the capital city of Northern Greece. Thessaloniki possesses a unique blend of ancient and modern culture that shaped the 2.300 years of its dramatic history. The guiding includes a visit to the archaeological museum as well as a city tour, focusing on the past and the present of the city, such as the castles, the St. Demetrius Church and the White Tower. Afterwards, we will have free time to explore the city's excellent market, do some window-shopping or walk around the city.
